What is FAST FLYER?

FAST FLYER is a simple Task Teens growth campaign. Approved teens help place flyers in approved community locations so more families, neighbors, and local businesses learn that Task Teens is available.

Why it matters

Task Teens is a new company. The more people know about us, the more safe, age-appropriate local work opportunities we can create for teens.

Earn recognition Help Task Teens grow in your community.	Referral wins Use your name or Teen ID on approved materials.
More bookings More awareness can lead to more teen jobs.	Leadership practice Build confidence, communication, and responsibility.

How to join

Reply to the Task Teens email with **FAST FLYER**. We will follow up with approved flyer locations, expectations, and referral tracking details before you begin.

Important expectations

Only place flyers in approved public/community locations where flyers are allowed. Be respectful, safe, and professional. Do not go door-to-door unless Task Teens and your guardian have specifically approved that plan.

Questions? Reply to the Task Teens email or contact Angie at Task Teens.
